

MARYLAND
SHEEP & WOOL
FESTIVAL

January 10th, 2020

Dear Exhibitors,

Hopefully this letter finds you and your flock in good health and in the midst of a very successful lambing season for 2020! We look forward to seeing you in May as we have an exciting show and sale schedule planned. We are also honored to have the Border Leicester breed as our 2020 Featured Breed. They are already busy planning for their exhibit in the Northwest corner of Barn 7-8. We are also trying to reconstruct a wool display much like the one that we were lucky enough to have had last year. I would love to have at least 1 pound of fleece donated from anyone with a purebred animal, especially the rare breeds. The registration information, owner, location etc. would be very useful. Please let me know if you can help us! I'm starting with my Sheep Show people because I know you are also very interested in promoting our industry.

Once again, we are hosting the All Breeds Sheep Sale at the festival. Due to requests by buyers and sellers, our schedule will continue as it has the last few years. The sale animals will SHOW on Friday at 7:00 p.m. The SALE will be at 6:00 p.m. on Saturday. Both will be in the Main Show Ring. Again this year, we are offering sellers the option of selling a ram lamb or yearling ram with every 2 ewes sold. The festival continues to waive the sponsor's surcharge of 2% of the gross price that had previously been deducted from the seller's check. Please share information about this show & sale with as many others as you can!

We are still setting a tentative show schedule. It is much the same as the past but is subject to change. If certain breeds continue to be consistently low in numbers, we may end up combining them with the White Wool or Natural Colored divisions. The Corriedale and Rambouillet classes were pretty sparse so talk to your friends and help those breeds continue to have a show. Please note that the Corriedale show will be late morning on Saturday. This helps shorten the show on Sunday. We are trying to fit the Club Lamb Jackpot and the Shepherd's Lead into the Main Show Ring's schedule on Sunday. As in the past years we will have a Supreme Fleece award, so don't overlook exceptional fleeces when choosing your sheep!

Please stay in your designated pens unless you have been approved to move to other pens by a committee member. This is very important for our State Veterinarians to do their jobs, but also helps us if an animal has a health issue or escapes. It is very difficult to move sheep/pens around after people have arrived at the festival but will if necessary, to make space. That being said: ***Please let us know before April 20th if you are not coming or are bringing fewer sheep! That helps us and the exhibitors greatly.***

I also want to make you aware that there will be an admission fee charged at the gate again this year. We will ensure that our exhibitors will have entry and parking passes; please check with us when you arrive. We are more than appreciative of your graciousness in working with our committee. We recognize that showing sheep takes great effort and is a time-consuming job.

ENTRY DEADLINES:

ALL entries must be postmarked no later than April 1st, 2020. A \$25.00 late fee will be assessed to all entries postmarked after April 1st (if space is available). NO entries will be accepted after April 10th. Once again, we are offering an ONLINE entry option for the Sheep Show starting around February 14. See online entry procedure at the end of this letter.

Requests for sheep show entry forms and inquiries about the fleece show and other Festival events should be directed to the Festival office at office@sheepandwool.org. For other questions, contact Mara Mullinix at (301) 865-4224, between 8:00 a.m. and 6:00 p.m. EST, or at MVHINC@aol.com.

Please double check your entry form. Providing complete and accurate information will expedite the registration and check-in process. It also helps us out when we set up pen assignments, enabling us to keep as many people as possible happy with their pens. Please let us know, even up to the last week, if you are unable to attend, or if your numbers will change.

The Festival continues to maintain a NO DOGS policy: Please be advised that no dogs (and/or puppies) will be allowed to accompany exhibitors, vendors or the public onto the fairgrounds. The only dogs which will be allowed onto the fairgrounds are service dogs and those dogs participating in the sheepdog demonstrations. Anyone not complying with this policy will be required to remove their dog(s) from the fairgrounds.

Good Lambing!
See you in May,
Mara Mullinix and the Sheep Show Committee

REMINDERS FROM THE FLEECE SHOW COMMITTEE

- For those of you with down-type breeds: The Fleece Show & Sale now has a separate class specifically for down-type medium-wool fleeces. Hand spinners and other fiber artists are increasingly interested in these versatile fleeces. These would include breeds such as Southdown, Hampshire, Shropshire, Suffolk, Dorset, Clun Forest, Tunis, etc. Fleeces that are 2.5 inches or more are desirable, and should be as clean of vegetable matter, second cuts and manure tags and hair as possible. For guidance, and price ranges from last year's sale (by breed), go to the Festival website (<http://sheepandwool.org/festival/fleece-show-sale/>).
- The sale of fleeces from sheep show pens is prohibited. Fleeces for sale should be consigned to the Festival's Fleece Show & Sale.
